

Useful with Pleasure

# TUNCURRY PUBLIC SCHOOL

## Tuncurry Public School

- Opportunity
- Commitment
- Pride
- Success

## Motto

- *Utile Dulci – Useful with Pleasure* [Valuable and Enjoyable]
- Where caring is nurtured and achievement cherished.

## Statement of Purpose – Vision

Tuncurry Public School provides a caring, vibrant and responsive learning environment where teachers, parents and community cooperate to deliver quality educational outcomes and develop individual talents, interests, abilities, and a capability and confidence to succeed.

## Strategic Purpose – Values and Beliefs

Tuncurry Public School values:

- Significant opportunities for all children to grow, develop and become successful Australians.
- Policies, programs, and practices which promote, self-esteem and welfare of students, including those with special needs and learning disabilities.
- Learning which is relevant, enjoyable and considers individual needs.
- Striving to do one's best.
- Recognition and celebration of achievement.
- Excellence in teaching and learning programs.

- Parent participation and learning partnerships.
- Collegial and cooperative spirit and the building of trust.
- Encouragement and nurturing of professional learning, teaching teams, supportive staff welfare and leadership.
- Open and clear communication and organisation;
- Equity and opportunity for all students - gender, disability, cultural difference, learning difficulty, gifted and talented.

### **Strategic Goals**

Our goals are to:

- Provide a safe, secure, disciplined and quality learning environment.
- Provide a well-rounded education that values and supports the intellectual, creative, physical, social and emotional development of each child.
- Ensure that quality learning and teaching are the central focus of every classroom across all Key Learning Areas.
- Nurture well developed thinking processes and objectivity.
- Enhance Literacy and Numeracy development.
- Develop in students, knowledge, understanding, skills and values for productive and rewarding lives.
- Guide student development as individuals demonstrating self-expression, self-esteem, self-discipline and self-confidence.
- Ensure that students have appropriate information and communications technologies (ICT) skills to meet their educational and vocational needs.
- Cater for students from all backgrounds.
- Assist students to develop the foundations for, and commitment to, lifelong learning.
- Invite parents, caregivers to participate their Child's education.
